

# E-JOURNALS FOR FREE

By: *Sara Spiegel*

**Description:** This paper will explore how one finds free full text electronic periodicals on the web. The emphasis will be on utilizing web search engines to explore free e-journals in Jewish studies. The pros and cons of creating such a collection of free resources will be discussed. Suggestions will be given as to how to arrange access to these journals from a library's web site as well as its online catalog.

**Sara Spiegel** is Administrative Librarian for Technical Services at JTS Library. Formerly, she was Director of the Tuttleman Library of Gratz College. She currently serves as chair of AJL's Professional Development and Continuing Education Committee.
